

PROFESSIONAL PROFILE

Lars is an EnCase Certified Examiner (EnCE), a Cellebrite Certified Operator (CCO), a Cellebrite Certified Physical Analyst (CCPA), a Certified Wireless Analyst (CWA), Certified I.P. Telecom Network Specialist (CIPTS), a Certified Telecommunications Network Specialist (CTNS) and Certified Telecommunications Analyst (CTA).

Lars has worked on cases throughout the United States and has provided forensic services in hundreds of criminal and civil cases. He is the co-author of the book, "Digital Forensics for Legal Professionals," 2011, Syngress, and the book "Digital Forensics Trial Graphics: Teaching the Jury through Effective Use of Visuals," Academic Press, 2017.

Lars has qualified as an expert in state and federal courts. He has qualified as a computer forensics expert, a cell phone forensics expert, a digital forensics expert, a photo forensics expert, and a video forensics expert. Lars provided training in digital forensics and has taught continuing legal education (CLE) classes throughout the United States. He has also presented twice at the CEIC (Computer Enterprise Investigations Conference) in 2011 and 2013 and the Enfuse digital forensics conference in 2016 and 2019.

EDUCATION

Bachelor of Arts, Philosophy, 2008

University of North Carolina, Pembroke, NC

President of Honors Society and accumulated 29 credit hours in Fine Art, Digital Art and Media Integration.
