

2026 CANADA CE WEBINAR SERIES

Envista's Canada Continuing Education (CE) webinars are designed specifically for insurance claims professionals, offering one hour of approved CE credit in the states listed below. Led by senior technical experts, each session provides practical insight into real-world incidents, losses, and forensic investigations. Our webinars are held on **Wednesdays at 2:00 pm ET / 12:00 pm MT.**

Register at www.envistaforensics.com/en-ca/knowledge-center/webinars.
