North American Practice

Envista's Major Loss Practice: The Face of Certainty in a Complex World

Rooted in our firm's 40+ years of experience in the industry, Envista delivers respected and reliable technical advisory services to the insurance and legal communities throughout the world. At the core of our Major Loss Practice services are multi-disciplinary engineering, contract, cost, and schedule analysis experts. These services are tailored to the specific requirements of the investigation drawing from our team's engineering, investigative, construction, design, and operational experience. Envista's Major Loss Practice professionals are passionate about helping our clients solve the most complex problems they encounter, and we recognize the need for a rapid, responsive, and sensitive approach to the work entrusted to us.

PROFESSIONAL SERVICES:

- » Failure Analysis and Damage Assessment
- » Civil, Structural, and Geotechnical
- » Mechanical
- » Electrical
- » Fire Protection
- » Fire and Explosion Investigation
- » Building Consulting
- » Reinstatement Options Analysis
- » Quantum and Cost Assessment
- » Schedule Analysis
