Large and Complex Losses

## Large and Complex Loss Investigations

Rooted in our firm's 40+ years of experience in the industry, Envista's Major Loss specialists provide comprehensive, integrated, and customer-centric solutions across various industries.

These services are tailored to the specific requirements of the investigation drawing from our team's engineering, investigative, construction, design, and operational experience.

### PROFESSIONAL SERVICES

- » Catastrophe Response
- » Civil and Structural Failure Analysis
- » Electrical Failure Analysis
- » Equipment Consulting
- » Fire and Explosion Investigation
- » Fire Protection Engineering
- » Mechanical Failure Analysis
- » Quantum and Cost Assessment
- » Reinstatement Options Analysis
- » Schedule Analysis

**Envista provides forensic engineering and consulting services on large and complex losses to help uncover answers from causation to costing.**

### ENVISTA'S MAJOR LOSS TEAM

Envista's Major Loss specialists recognize that large and complex claims have many challenges ranging from the technical to the interpersonal.

We are passionate about helping our clients solve the most complex problems, and recognize the need for a rapid, responsive, and sensitive approach to the work entrusted in us.

We leverage our leading engineers' and experts' extensive, domain-specific industry knowledge on each engagement allowing us to proactively assess, understand, and react to the rapidly evolving risks our clients face in the post-loss environment.

## INDUSTRY SECTORS

No matter how complex, Envista has the capabilities, experience, and commitment to deliver the answers needed to move forward.

Our specialists provide comprehensive, integrated, and customer-centric solutions across diverse industries, such as:

- » Agriculture
- » Construction
- » Financial
- » Food and Beverage
- » Government
- » Healthcare
- » Heavy Industry
- » Hospitality and Retail
- » Infrastructure
